

About This Year's Benefactor

St. Peter's Cancer Care Center provides a comprehensive program that begins with prevention and education and provides the most advanced treatment options, diagnostic testing, medical oncology, radiation therapy, and multiple surgical specialties.

The St. Peter' Cancer Care Center is among the first hospitals in the nation to receive the Blue Distinction® Award for the Treatment of Complex and Rare Cancers. The award places St. Peter's among a number of nationally known cancer care centers, such as the Mayo Clinic, Cleveland

Clinic, Roswell Park and Memorial Sloan-Kettering.

About Capital Region Special Surgery

Capital Region Special Surgery is a multidisciplinary practice which focuses on the care of patients with back and neck pain, head and neck disorders, hearing loss, sleep disturbances, and physical therapy and rehabilitation. In total, more than twenty health care providers, all of whom are leaders in their respective fields, treat patients at our center.

Registration

The first 1,000 entrants receive an official CRSS Race for Hope long-sleeve tee shirt.

FIDELIS CARE™

Who is Hope?

Hope is the name of every man, woman and child who has to wake up every day and face another day battling their disease. It is the name of their spouses, their children, their parents, their extended family and friends. It is the name of their doctors and related medical providers. It is the name of the scientists and researchers developing new treatment and preventative drugs and new diagnostic tools.

This event is dedicated to the inspiring and courageous Susan Britain and her family.

Mission

The CRSS Race for Hope is dedicated to supporting those in our community affected by brain, head and neck cancers. Proceeds from this year's event will support patients at the St. Peter's Hospital Cancer Care Center via a special fund set up through the St. Peter's Hospital Foundation.
